EXPERIENCE

Junior Game Developer

TechWorks Studios

06/2022 Location

- Worked on multiple game genres including platformers, puzzle games, and simulation games using Unity
- Focused on implementing core gameplay mechanics, character control, and environment interaction
- Contributed to the optimization of game performance, resulting in smoother gameplay across different platforms

Game Developer

PixelPerfect Games

06/2022 Location

- Developed a chess and checkers game using Unity, focusing on AI development for different difficulty levels and implementing a user-friendly GUI
- Enhanced player experience through polished animations and seamless gameplay

Junior Game Developer

InnovateX Labs

03/2023 Location

- Assisted in the development of a 3D simulation game in Unity, focusing on the creation of interactive 3D environments
- Integrated physics-based interactions and optimized rendering performance for both PC and mobile platforms

SUMMARY

Passionate game developer with expertise in Unity and C#, skilled in basic level 3D modeling, animation, and game mechanics. Committed to creating high-quality games and eager to collaborate on innovative projects that bring engaging experiences to life.
